NEXT DEADLINE
MONDAY, JUNE 18

Dear Editor,

I am writing in regards to dogs
being present at the Mayday
celebration. I know that each
year there is a request sent out
asking that dog owners keep
their dogs at home for the
Mayday celebration, the request
is not to have them on a leash
but leave your dogs at home.

This past Mayday brought to
light one very valid reason
why dog owners would want
to honor this request. A small
child was crawling (under the
careful watch of a parent) when
a dog on a leash lunged and
snapped at the child in close
range. Thankfully the child
did not get hurt but just a few
inches closer the result would
have been quite different.

I know this is not typical of all
dogs but a one year old does not
know the difference!! So please
leave your dogs at home and if
you see someone with a dog who
may not be aware of the "no dog
request" let them know.

One less thing for a parent
to have to worry about on
Mayday, wouldn't that be great!!!!

Let's be respectful to rules put
in place by organizers and keep
our community events as safe
as possible.

Sue Swanson

ISLAND FORUM

Dear Ed;

From an organizers point
of view, May Day 2012 was
mostly successful and the sun
shone so folks were happy.
Unfortunately some dog
owners missed the memo,
published with the Schedule of
Events in the D.I. before May
Day, requesting dog owners
keep their dogs at home. Three
good reasons for this request:
citizens reported their children
stepped in doggy-do. Where
was the owner when scooping
was needed? The volleyball net,
although erected, was not used.
Why? A dog had shredded
the volleyball early in the day.
Thirdly and most importantly,
witnesses reported a dog (on
a leash) had snapped at, and
almost connected with a 2 year
old toddler. My blood runs cold
when I hear this.

Please keep your dogs at home
while attending May Day. Even
leashed dogs are problematic.
I hear there is a wonderful dog
walker/sitter on the island who
could be of service.

Sandy Spearing,

QCC Coordinator

To the Discovery
Islander:

Warning: I am writing this
letter to let Islanders know
that a series of robberies have
taken place in Heriot Bay. My
family is just one victim of this
crime spree, Fortunately, our
island is normally free from this
type of crime, but when it does
happen, trust me, there is a
strong feeling of violation.

These thieves hit our house
while we were away from the
island. There were people
asleep in our home who did
not hear these brazen criminals
steal a number of large items
during the night. Since we
already have an insurance
claim for damage done in the
big storm, we are reluctant to
claim this second loss. More
importantly I feel an emotional
reaction to this loss of a sense
of security,

Signed

Boom to Bust!

Phew, what a temperature change...if they hadn't bolted before, they certainly did on the Mother's Day weekend! Away went the radishes and komatsuna. Oh well, out with the old and in with the new crop of carrots.

Unfortunately, our night time lows aren't living up to the day time highs. In my microclimate, the lows have gone down to FOUR! degrees celsius and that just isn't warm enough for the heat loving crops, never mind the Giant Pumpkins, and this is June! Tomatoes and members of the cucurbit family, squashes and cucumbers, simply won't grow happily in the garden until the nights are staying 10°C.

The second problem is that these are very fast growing seedlings and do not like to get too crowded. So, if they are left in containers too long they may become root bound and stunted. If your plants are now beyond their third true leaf and simply must be put out into the garden, then they must be protected with whatever imaginative structure that you can muster to hold the heat in around them. (Hmmm, sounds like a good category for the Fall Fair!) And if you have been able to wait until now to plant out, make sure that the soil is moist (but not soggy) in both the pots the seedlings are coming out of, AND the ground they are going into. It is amazing how quickly things have dried out in the lovely weather. Take care not to damage the roots, and plant them at the end of the day (or on a cloudy day) giving them time to settle and lessen the shock of transplanting. Bring on the warmer nights!!

- Carol Anne Caulfield and Jan Brettbacher, conveners of Fall Fair 2012 - Fruits, Vegetables and Field Crops exhibits, on behalf of the Community Garden.

Quadra's Cats Thank You!

A huge thank-you to everyone who contributed items for Quadra Cat Rescue's giant garage sale in Campbell River at the end of May. Our compassionate Campbell River neighbours helped us promote the fundraiser and came out to support our efforts. An especially big thank-you to all the people who just "dropped by" to give a donation and spent time to share good wishes with Shilo, the remarkable rescue kitten. For more information about Shilo (still available for adoption), please check out our website (www.quadracats.com) or call 250-285-CATS or email quadracatrescue@yahoo.com.

Family Dinner Dance

RUMOR HAS IT there is a hot new country band on Quadra. Curious? Get your cowboy boots on and two step on over to the legion on June 9 for some toe tappin' foot stompin good music. The cost will be 15.00 for steak dinner and dance. Burgers will be 6.00 plus 5.00 for dance, or if you only want to dance 5.00 gets you in. This is a family event, so kids get dressed up too! The proceeds will be donated to this year's grade 5 class for their fundraising efforts. Dinner at 6pm. Music till 10pm.

Quadra Seniors

When you read this article, our members would have celebrated our Fathers Day meeting and learned about the experiences of Missionaries John & Eloise Bergen in Kenya.

This will be our last general meeting until Sept. Plans are being made to call a special meeting to educate people, particularly, Seniors on what to do when your spouse or partner passes away. It is unbelievable what a person, who is grieving goes through. You will be notified about the date & the plans and where the meeting will be.

Our members are enjoying working at the Tourist Information booth, it is particularly interesting to meet people from all over the world. Join our branch and have fun with us at the Tourist Booth.

Our Wednesday get-togethers continue with Ann Lawrence for exercises @ 10:00 am and Carpet Bowling @ 11:15 am, bring snacks to enjoy with Coffee or Tea. On July 11, 2012 we are having the North Island Regional Picnic @ Halbe Hall in Black Creek fun starts at 11:00 am, enjoy a Pot-Luck lunch, fun & games with prizes will follow. Call Ruth @3801 if you need a ride or plan to go. To join our membership contact Christine Dyson @ 2207 or Ruth @ 3901. Wheatgrass Juice is coming to Quadra's Farmers Market

We are bringing our nutritious home grown wheatgrass juice and drinks to Saturday's Market beginning June 8th. You can enjoy shots of pure wheatgrass and our fresh juiced ginger and mint wheatgrass drinks, and take a pint jar home to the family.

So what's so special about wheatgrass? Wheatgrass juice is a natural organic living juice that is chlorophyll and nutrient dense. It is an appetite suppressant. Some of its major benefits are: it energizes, cleanses, alkalizes, hydrates, rebuilds and replenishes red cells, and strengthens the immune system. And this is just a tiny taste of what it can do for you and your body.

Our wheatgrass drinks make for a mild and refreshing blend of fresh pressed organic wheatgrass juice and water spiked with either fresh ginger or mint. You can take a half pint or pint jar home with you and enjoy it during your work week.

Or you can order our Wheatgrass Cleanse Special which gives you three pints (48 oz) for the price of two prints. The idea is to drink one pint of our blended drink each day for three days. You do not have to change your diet or fast with this cleanse. We do encourage our clients to minimize or eliminate salt and sugar during these three days to receive the best possible results.

We also offer workshops on how to grow, harvest, and juice your own wheatgrass at home year round. The workshop is a hands on course where you harvest, plant, and juice wheatgrass and learn about its nutritional benefits. You are provided with a set of printed class notes giving you step by step instructions of how to plant and care for your wheatgrass along with a detailed description of its nutritional benefits. Classes are limited to 6 persons and are about two hours in length.

We also offer a small, very durable, hand juicer specifically designed for juicing your home grown wheatgrass.

We have been providing our wheatgrass drinks and workshops on Cortes Island for almost two years and have been encouraged to come to Quadra. We would be delighted to meet with you and share our experience and knowledge.

CBC's Bob McDonald Is Coming To Quadra

Photo: Mark Wunsch

We're very excited that Bob McDonald, CBC's science guy will be on Quadra to launch the campaign to Save the Heart of Quadra Parks. He will be speaking at a fundraising dinner at the Heriot Bay Inn on June 16th. Tickets are selling fast so don't delay if you are interested in hearing him. Just call the Inn for reservations - 285-3322

As host of Quirks and Quarks, and the science commentator for CBC News Network, Bob is one of Canada's best known science journalists, an Officer of the Order of Canada and recipient of numerous other awards. His presentation at the HBI, "Perspectives on a Planet," will look at the Earth in it's full environmental context.

Also On June 16TH there will be a fabulous silent auction. You don't have to be at the dinner to participate. This issue of the DI contains a list of the auction items or check out the Heriot Bay Inn website (heriotbayinn.com/events) - for instructions about bidding by mail or by email.

Quadra businesses and artists have been very generous in contributing some

exciting and beautiful items. A two day fully guided camping kayaking trip for two to the Octopus Islands Marine Park, a Tofino beach home and Quadra vacation rental cottages, all with spectacular views are just a few of the items offered.

Our website www.quadraparks.ca gives lots of information on the campaign to purchase the 395 hectare of private property which lies between Small Inlet and Octopus Islands Provincial Parks. This property is crucial to the integrity of the two parks. The alternative is logging or development, both of which will be visible from every vantage point, seriously compromising the existing parks. Although most of the money has been raised, BC Parks Acquisition is working to find the remaining amount required to meet the \$6,150,000 purchase price. The goal of our campaign is to raise at least \$200,000 by September 26.

Look for us at the Farmer's Market or call Susan 3632 or Judy 2663 to donate towards the purchase price, to donate items for a live auction to be held in August or to volunteer.

Upper Realm News

The hand-drum jam continues every Wednesday night from 7:45 p.m. to around 10 p.m. There is also a guitar/ singing/non-electric jam every Friday night at 7:45 p.m. Sometimes a piano or low key bass guitar is plugged in at low volume so the unmixed voices come through. The guitar jam tends to go on latter in the evening too. Sunday Buddhist meditation continues at 10 a.m. but come a few minutes before 10 a.m. so as not to disturb the meditators. Meditation is 40 minutes long followed by tea and cookies and some discussion. We have two new artists in the Upper Realm: Cathy, who does beautiful nature-based paintings and Trinity, who makes hand-made purses and bags. Cathy's work was on display at the Quadra Community Centre during the Artists tour weekend. Trinity's work was on display at the Kameleon restaurant. Spirit Books, Gypsy's store and massage room, and Dave's music store are still up and running. Some Free stuff is still happening. Come borrow some free VHS/DVD videos and return them. Bring your old ones in. Free books for kids under 13 are still available in the book store. Free Condoms are also on the VHS shelf in case you don't want to watch a movie. - Steve Moore

Seniors Housing AGM

Quadra Island Seniors Housing Society's AGM will take place on Thursday June 21, 7:00 pm in Room #1 at the Community Centre. Please attend to hear how the community at Seniors Housing is progressing and to discuss the Society's future plans. Is it possible to develop an assisted living home on Quadra? There will be a discussion at the AGM about assisted living and the Board would like to hear your input on this important topic. Refreshments will be served and a door prize won by some lucky participant. See you there.

Cortes Social Media Workshop

Are you still mystified by "Social Media"? What does it mean? How can it help you in your small business and marketing? What else can it do?

Join the Wifi Society's computer literacy crew for a Social Media Workshop. Philip Stone from Quadra Island will provide an overview of some of the major social media platforms. There will be an indepth look at Facebook, Twitter, and YouTube plus a look at some of the lesser known ones: StumbleUpon, DIGG, Scribd, etc. And if we're lucky, Pinterest and Google+.

There will be an hour for overview, followed by an hour for discussion, from 10:30 - 12:30 in the Pioneer Room at Manson's Hall on Thursday, June 21st. Price is \$10/person. Call Coreen to register at -0152 or email at cortesliteracy@twincomm.com

Quilt and Garden Tour

Sat., June 23 & Sun., June 24

Do you want to know more about roses and which kind grow well on the island? Are you interested in using plants and shrubs that are "proven winners" on the island? Are you in the process of blending an old garden with a new garden? How about combining a native garden with more modern plants? The owners of the gardens in this year's Quilt and Garden Tour might be just the kind of "experts" to steer you in the right direction.

To add to your pleasure as you tour the island, the quilters are offering a selection of quilts which haven't been shown before in gardens on the Quilt and Garden Tour. There are between 70 and 100 beautiful quilts ranging in size from king sized bed quilts to letter sized Journal quilts. Quilters will be on hand to answer questions and share their love of quilting.

This two day event is a fund raiser for the Quadra Island Community Centre and the Quadra Island Quilt Guild. All the proceeds go directly back into the community to support island based projects. Tickets are now on sale for \$12.00 per person at Hummingbird, Works of H'Art in Heriot Bay, the Quadra Island Tourist Information Bureau, the Campbell River Tourist Information Centre, Serendipity in Campbell River, and Willow Point in Campbell River.

A huge thank you to the island advertisers who are helping to make this event successful - check your ticket brochure for more information on their services.

Please come out and explore the island. Bring a picnic, pick up a lunch at the one of the grocery stores, or simply order a lunch at one of the many restaurants. There are lots of options to choose from. Your ticket covers both days so take your time and ENJOY!

Free Firewood

Free Firewood is not available until Winter comes but now is the time to stock up on paid-for Firewood.

Free Firewood is available for low-income people on an emergency basis. We simply don't have enough wood to supply lots of people for the entire winter. However, we were able to supply about 20 cords of wood piled in 60 pick-up trucks or vans that kept over 100 people warm for last winter. We even had some dry wood to help folks in mid-May.

So stock up with your favorite wood supplier now cause Free Wood is not available until mid-way between Thanksgiving and Christmas and we've had late springs these last two years.

If don't know a wood supplier, ask a neighbour. Word of mouth advertising is often the best. Or try calling Keith at 285-2722 or Billy at 285-3714. Rates often vary from \$170 to \$200 a cord.

We are now preparing for next winter. We need wood cutters, both chain saw and axe, and offers of easily reachable wood to stock our supply for next winter. (Unfortunately, we don't have the ability to more large logs of wood)

Call Steve at 285-3323 if you can help.

Come on Canadians...it's time! Don't let the Harper Conservatives roll over our Canadian values. Say 'no' to Bill C-38.

"Rise like Lions after slumber

In unvanquishable number,
Shake your chains to earth
like dew

Which in sleep had fallen on you-
Ye are many — they are few"

CELEBRATE SUMMER'S ARRIVAL 2012!

Cortes Island has many interesting Creative Spaces – Gardens & Studios! Share the beauty and individuality of these creative spaces at the 15th annual tour on Saturday, June 16th from 9:30 am to 5 pm.

Explore some of the more private and unique locations on Cortes as well as some all time favourites. This Creative Spaces tour is sponsored by the Cortes Island Museum & Archives Society with proceeds contributing to the Museum's public education and community outreach programs, and ongoing development of its Heritage Garden featuring plants from early Cortes homesteads. The Museum is also fundraising to expand its heritage building to properly house the growing artefact and archival collections.

Creative Spaces will include both new and established gardens as well as Fairhaven Gardens, Hollyhock and the Seniors' Village. The great variety of studios to entertain and involve you offer pottery, creative woodworking, paintings, carvings, photographs, weaving, felting, spinning, knitting, printing and different handcrafts. Join "The Woolly Group" at work and experience their alpacas.

Lunch will be available at Trude's Café on Whaletown Road near the corner of Robertson Road, the Floathouse Restaurant at Gorge Harbour Marina,

the Cove Restaurant at Squirrel Cove, and at Manson's Landing there's Cortes Market Deli or the Market Take Out. If you bring your own picnic, there are beaches to stop at, picnic benches at Gorge Harbour Marina and also in the Cortes Museum's garden where refreshments will be available with serenading by local musicians.

Tickets are \$12, including a map with garden and studio descriptions, and will be available in June at all Cortes Island stores, Hollyhock and the Cortes Museum.

Visitors from off island should arrive on the first ferry to Cortes. From Campbell River, patrons should catch the 8:30 am ferry to Quadra Island that connects to Cortes, and Quadra patrons should board the 9:05 am ferry from Heriot Bay. This will leave you plenty of time to spend the day visiting an array of inspiring gardens and fascinating studios before catching the last ferry home at 5:50 pm. Carpooling is a great way to save money and avoid ferry line up delays. Tickets can be purchased until 10 am on tour day up from the Cortes ferry landing near the top of the hill – watch for signs at the corner of Seavista Road.

Don't miss this chance to glimpse an "insider's" view of Cortes Island. For more information, call Cortes Museum at 250-935-6340 or Lynne Jordan at 250-935-6472.

Quadra Island Mushroom Festival Planning Meeting

- Thursday, June 21, 7 p.m.

Fun-guys and gals needed to help plan, organize and deliver the 2012 Quadra Island Mushroom Festival.

Building on the success of last year's mushroom weekend, the Quadra Island Recreation Society and the Heriot Bay Inn with assistance from the South Vancouver Island Mycological Society will host an expanded range of activities over the Thanksgiving weekend (October 5-8). Events in development or under consideration include field trips for mushroom collection and identification, making paper with mushrooms, a fungal photo display, children's activities, mushroom cuisine, textile dyeing with mushrooms, a grand "Survivors' Banquet", a workshop on truffles in our region, and a mushroom market. Familiarity with wild mushrooms and their habitats is helpful, but not essential.

Dr. Shannon Berch will be speaking at the 2012 Mushroom Festival

Tell your fungal friends, bring your ideas, and join your fellow mushroom enthusiasts on June 21, 7 p.m. at the Community Centre. For information, please call Darcy at 285 2739.

First Historic Tours of the Summer

Get ready Campbell River - the Museum at Campbell River's 'Summer Historic Boat Tours' are about to set sail for another exciting season! The weather is predicted to be ideal this summer for getting on the water and exploring the fascinating history of the Discovery Islands. The first two trips in the series begin on Sunday, June 17, and then again on Sunday, June 24. On June 17 from 9:00 am to 1:00 pm, the series kicks off with a tour through Desolation Sound. This waterway has to be on everyone's 'bucket list', though it didn't impress Captain George Vancouver who described the area as "truly forlorn". Today Desolation Sound is considered one of the premier cruising destinations on the Northwest Coast. The cost for this tour is \$130.00 and includes on-board historic interpretation and a light picnic lunch. The trip on June 24, from 2 pm to 6 pm, travels to the waters surrounding beautiful Cortes Island with a stop at the amazing Cassel Falls in Teakerne Arm. This waterfall was described by Archibald Menzies, Capt. Vancouver's botanist, as having "a wild romantic appearance aided by its rugged situation and gloomy forest". The cost is \$130.00, including light lunch and onboard historic interpretation. These historic trips are offered through a partnership between the Museum and Discovery Marine Safaris. Please call the Museum at 287-3103 to register. Different trips are being offered every Sunday throughout the summer. Check the website at www.crmuseum.ca for more information. Join the Museum for a 'History On The Water' summer experience!

Campbell River Waste Management Centre Celebrates Project Completion

The Comox Strathcona waste management (CSWM) service is inviting residents to come celebrate the completion of the new transfer station and recycling area at the Campbell River waste management centre on Friday, June 15 from 2 – 5 p.m.

This is an opportunity for residents to become familiar with the changes, which includes a new transfer station building and a new and improved recycling area. The transfer station hosts two large bays for receiving all non-recyclable household waste, residential roofing materials, clean wood waste (unpainted lumber, pallets, wood shingles) and yard waste contained in bio-degradable bags. And the recycling area has been equipped with bins for the return of cardboard, mixed paper, recyclable plastics, tires, propane tanks, household and automotive batteries, appliances, scrap metal, used oil, electronic items and household hazardous waste.

"Household hazardous waste is any waste from your home that you consider to be dangerous or are unsure of its contents," said Jesse Lee, assistant manager of Strathcona solid waste services. "If Campbell River bottle depot does not accept it through their 'Product

Care' program then residents can drop it off here."

On Friday, June 15th CSWM staff and the centre's contract operators will be onsite to welcome visitors, give them a tour and answer any questions about the recent changes. The Campbell River waste management centre is located at 6700 Argonaut Road.

The regular hours of operation are 8:30 – 5:30 p.m. seven days a week – open on all statutory holidays except for Christmas Day and New Year's Day. A photo album of the site changes has been added to the CSWM website and can be viewed by visiting www.cswm.ca/crlandfill.

The Comox Strathcona Waste Management (CSWM) service is a function of the Comox Valley Regional District (CVRD) and is responsible for two regional waste management centres that serve the Comox Valley and Campbell River, as well as a range of transfer stations and smaller waste-handling and recycling facilities for the electoral areas of the CVRD and the Strathcona Regional District. The CSWM service manages over 100,000 tonnes of waste and recycled material and oversees a number of diversion and education programs.

Introducing the Quadra Island TimeBank

There's been lots of talk at Quadra Island Transition about ways to facilitate a community barter/exchange system. Some communities have launched their own currency and a couple of attempts to introduce Quadra Bucks have happened in the past.

Now leveraging the support of an international organization and joining communities in over 30 countries around the world the Quadra Transition Initiative is pleased to introduce the **Quadra Island Community TimeBank**.

As the name suggests this is an online bank that accounts hours as its currency. All hours are equal whether you're a car mechanic, lawyer or landscaper. With a level playing field it all 'comes out in the wash' so to speak!

At the recent general meeting of Quadra Transition, June 5, the TimeBank was reviewed and several improvements suggested and tips developed to help make the users' experience smoother.

All you need to do to get started is to visit the web site at www.quadraisland.timebanks.org set up an account (please use your full name as your user ID so we can all put faces to names), create a profile telling everyone a bit about yourself and the services you offer. Check the times and days of the week you're available and you're good to go!

Now you're time banking!

Quadra Transition is a community-wide initiative dedicated to building self-reliance on Quadra Island in every aspect of our lives from transportation to food security, education to healthcare. Transition Towns are part of a worldwide movement to prepare for a future of rising fuel prices and the inevitable challenges of climate change.

For more information and links to other resources visit www.quadraisland.ca/transition and join the online network at www.quadraisland.ning.com

Coast Guard Presentation

DIEPA (Discovery Islands Emergency Programme Association) is sponsoring a presentation by Nathan Webb of the Coast Guard on their role in emergency evacuations and major boating accidents. The Coast Guard have their own protocol for evacuations which is different in key ways from our ESS procedures. This is an opportunity to find out how they would deal with an evacuation of islanders if it became necessary or the evacuation of a ship in the passage. In emergencies it is important that everyone involved understands the procedures to be used and how to make best use of them. The meeting is on **Wednesday, June 13 at 7 pm in the Community Centre**. Refreshments will be served. All DIEPA members and interested members of the public are invited.

Curly Eastland Bursary Application for Financial Assistance

Applications are now available for Scholarship funds at the Quadra and Cortes Branches of Coastal Community Credit Union – made possible through the Coastal Community-Quadra Credit Union Legacy Fund – to members and the children of members of the Quadra Island and Cortes Island Community Branches. Applicants must be grade 12 high school graduates or mature students planning post-secondary education.

Applications must be received at the Quadra Island or Cortes Island Community Branch by 5:00 pm July 30, 2012.

Full Serving Of Mixed Greens At The HBI

Get Your Greens...

Cortes Mixed Greens

The Mixed Greens band from Cortes Island return to the HBI, this Friday, June 8th for a rockin' original music dance party. This Cortes ensemble plays a full evening of dance floor vibrating grooves from their arsenal of rock 'til you drop tunes. Three full sets, with the action getting underway at 9:00pm through 1:00am. No cover charge.

A perennial island favourite, Mixed Greens performs original dance music ranging from rock and pop to funky roots tinged psychedelia. All four band members share in the song writing, providing a wide spectrum of grooves across the musical spectrum. Their common thread is upbeat party tunes guaranteed to rock and fill the dance floor. Mixed Greens are: Danver Johnson, guitar, harmonica, vocals; Aaron McCullough-Gary, lead guitar, bass, vocals; Greg Osoba, bass, guitar, vocals; and Garden Stein, drums, vocals.

Billets Needed

Quadra Islanders are privileged to have the Kenyan Boys Choir, a group of 25 school boys 16-22 years old, perform here on Monday, July 9th. This choir's stunning music and cultural display at Barak Obama's inauguration brought them to the attention of the world.

So billets are needed for one night only. This would involve a welcoming picnic at Rebecca Spit on Monday afternoon, dinner, one night's accommodation, breakfast on Tuesday morning and a bag lunch before transporting your charges to the 10 am ferry on Tuesday morning.

It's a rare opportunity to open your heart as well as your home! If you have any questions or want to try this wonderful experience, please call Carol at 250-285-3737.

Quadra Island Canada Day Weekend Geocaching

June 30th & July 1st, 2012

Join in this weekend for some real world outdoor treasure hunting. Use GPS technology and navigate to specific coordinated to help find special C,A,N,A,D,A Day caches as well as others on Quadra Island. This is a family friendly event and participants will be eligible for entry in several prize categories. No special equipment needed, bring your own GPS if you have one. GPS units will be available on loan, while supplies last. Participants are encouraged to walk or ride a bike between caches. Bring clothing and foot wear appropriate for an outdoor activity, as well as your treasure hunting spirit.

Maps, Instruction booklets, GPS's and cache trinkets will be available at the Quadra Island Geocaching Tent located near the

Tourist Information booth at the Quadra Island Farmers Market. The tent will be set up from 10:00 AM to 1:00 PM on Saturday June 30th and Sunday July 1st. Just look for the "Quadra Island Geocaching - Start Here" banner. The winners of the prizes will be announced at the Quadra Island Community Center July 1st between 3:00 PM and 5:30 PM so participants wanting to be entered in the exciting draw please be back to the Community Center by 3:00 PM. Specific details about the prizes, how-to's, cache locations and schedule will be available at the booth. Good luck searching!

Canada Day Celebrations New Format

For eleven years the hard working Canada Day committee under the umbrella of the Discovery Islands Chamber of Commerce has put on a heck of a show every July 1 at Rebecca Spit.

There have been fireworks (literally!), great food including last year's free salmon dinner, entertainment from our island musicians, First Nations dancing and so many wonderful attractions. But in 2012 things will change and the full community gathering at the Spit will be replaced by a new island-wide format.

Instead of concentrating everything in one big bang on July 1 the plan is to now spread events and activities across the whole Canada Day weekend including:

- BBQ at Quadra Builders
- Fun Poker Bike Ride
- Geocaching Treasure Hunt
- Salmon Dinner & Dance at Quadra Legion
- Children's Festival at the Heriot Bay Inn
- Live music at Tsa-Kwa-Luten Lodge
- Dinner and Campbell River firework viewing at April Point Resort
- Community Celebration at the Quadra Community Centre Sunday, July 1 3 - 5:30 pm
- and yes there will be a cake!!!

The organizing committee are looking for interested musicians to play at the hall on Sunday afternoon, advertisers to support the printed program (great chance to plug a Canada Day special offer!), and any help. Contact Philip Stone at news@discoveryislands.ca or Betty Doak md3590@telus.net

To our community

on Quadra, Cortes, Maurelle,
Sonora & Read Islands

We are so grateful to live here and be supported by you. We were evacuated to Vancouver by helicopter hours after the birth of our son due to serious complications.

Kate Balzer and our midwife Yarrow Fox were amazing the whole time .

Care packages, visitors, cards, money, food, prayers and support immediately were sent south from here and continued for our three week adventure in the NICU at the Women and Children's Hospital. All the support enabled us to constantly be with Jari and helped him shock the medical staff with his speedy come back. Big thanks to Tanya Storr for mobilizing her whole clan to help us. Her Mom Judy set us up in a private suite in her beautiful home in Kitsilano.

Our pets ,livestock, and home were lovingly looked after by Jody McMurray and Kate Balzer with the back up of the Granite Bay community and of course Sheldon May. Paul , Annik, and their girls really cared for us and organized all the amazing dinners that so many people made for us. Hubert and Gerdi Kaminski brought us company and delicious food constantly.

And then there was the fundraiser. So many thanks to Noah, Amanda, and Lyra Stewart Webb for bringing that together and to Julie Rigby , the auctioneer. We can't begin to list all of the generous donations, days of work, hillbilly serenades, firewood that people gave and then bid for. The spirit of community , love, and generosity runs so deep here. Thanks to everybody. We didn't know that we could love this place more than we already did but we sure do. Congratulations to you all for being so excellent.

- Love Sam, Emily, and Jari
