Small Water Systems Operation Course

This course is a government requirement for some types of shared wells.

February 27th – 28th 2018, course starts at 8 am each day at the Heriot Bay Inn, 673 Hotel Rd, Heriot Bay

This two-day course covers the required material for taking the EOCP small water systems certification exam. An exam date will be set up for the completion of the course.

The exam will be in Campbell River and participants need to contact the EOCP to apply for the exam at: eocp.ca or phone 604 874 4794 Participants earn 1.2 Continuing Education Units from the EOCP. Course topics include:

- Regulations and standards for water systems
- Understanding water quality information
- · Proper sampling and testing procedures
- Chlorine handling and disinfection procedures
- Pump operation and maintenance
- Math calculations required for water operators

As a water and wastewater operator, I bring hands-on expertise and industry knowledge to the classroom. Contact me for information on EOCP-approved courses and training material tailored for your site. jamesonwaterservices.com

Please contact Lois Taylor for payment and registration information lois@heriotbayinn.com 250 285 3322

Arbutus and Cedar trees, mossy bluffs and cool forests are some of the features of this lovely 5 acre property located minutes from Main Lake Provincial Park and the Breton Islands. You will love the extremely private beach that is just minutes walk through crown land. The property has a deep drilled-well, shared driveway to the boundary. Whether you are looking to build your dream home or have your own recreational paradise this property is worth a look!!

SUBMISSION GUIDELINES

We welcome items for publication on subjects of interest to the Discovery Islands community. Here are a few guidelines:

- 300 words is an ideal length for community announcements.
- Articles do not need to be sent as attachments. Simply send the text in the body of your email.
- Canadian spelling is preferred
- Please use the title of your item in the email subject line. We get a lot of items called 'DI Article'
- Remember to include credits and captions for photos & artwork.

WHILE EVERY EFFORT IS MADE TO INCLUDE ALL ITEMS SUBMITTED, ERRORS AND ACCIDENTAL OMISSIONS MAY OCCUR.

GIFT SUBSCRIPTIONS

Are available for delivery in Canada by mail \$90 for 12 months

Local Voluntary Subscriptions are welcome to help support the DI, suggested: \$30 per calendar year Find more details online at

COMMUNITY NEWS & EVENTS

Quadra Island Outdoor Club **Upcoming Events**

The recent sunny days have been so inspiring to get out and enjoy any outdoor activity of your choice. We think there will be more of those coming up. The winter schedule is now nearly full with trips planned until April. Here are the upcoming trips:

18-22 Feb 2018 - Monday-Thursday - multi-day hiking on Hornby

28 Feb, Wednesday - hike to Open Bay and Crikey Creeks

7 Mar, Wednesday - snow at Mt Washington

14 Mar, Wednesday - hike to Eagle Ridge and Blindman's Bluff

21 Mar, Wednesday - hike Heriot Ridge and north loop

28 Mar, Wednesday - Vancouver Island coastal walk and lunch

4 April, Wednesday - Campbell River walk

22 April, Sunday, 10-2 - Gear Swap at the Community Centre

22 April, Sunday, 3-4 - Summer planning meeting

25 April, Wednesday - Campbell River river loop

The details for these trips can be found at:

https://qioutdoorclub.org/trips/ trip-schedule/schedule-fallwinter-2017-18/

Please contact the coordinator several days in advance of the trip, if you are interested in participating.

If you wish to participate in the gear swap as a seller, find out the details and let the organizers know in advance. You don't have to be a member of the Outdoor Club either as a seller or a buyer. Here is the link to the description:

https://gioutdoorclub. org/2018/02/09/gear-swapquadra-community-centre-22april-2018/

Prepare for spring by recycling your gear.

Get your Fish Compost, Sea Soil and Blueberry Plants!

It's time for Quadra Elementary School's annual Fish Compost and Sea Soil Fundraiser. This year we are excited to be adding 3 year old Bluecrop Blueberry plants to our order form! Prices are as follows: 30 L bag of Fish Compost (no smell)-\$10, 32 L Organic Sea Soil-\$12, 3 year old Bluecrop blueberry plant (1 gallon pot 18-24" tall)-\$8. We will be calling to take orders from those people who have ordered in the past. If you would like to place an order please contact Erin Karaim at 285-3369 or email callyoverton@gmail.com. Orders can also be placed at the Quadra gas station for your convenience. Order pick up will be at the front of Quadra School on Saturday March 17th from 10-2pm. We will offer limited delivery (Heriot Bay, Quathiaski cove and South End) for those who are unable to pick up. Delivery orders must be prepaid.

The money raised with this fundraiser goes towards maintaining the and facilitating the school garden project. Thank you in advance for supporting Quadra students.

Outdoor Gear Swap

What to do with all that outdoor gear you've been accumulating in your garage? Book a table at the OI Outdoor Club Outdoor Gear Sway 'n Sale, Sunday, April 22, 10 am - 2 pm at the Community Centre. For the nitty-gritty, and a Sellers' Registration Form go to https:// gioutdoorclub.org/2018/02/09/ gear-swap-quadra-communitycentre-22-april-2018/. Submitted by Valerie van Veen,

COMMUNITY NEWS & EVENTS

Brodie Lee Dawson & Luke Blue Guthrie Take the Stage in Herons!

"Soulful folky blues with a hit of pop and a twang of old-school country" sums up the warmth and powerful music that we'll immerse in on Saturday, March 3 in Herons. Brodie Lee Dawson & Luke Blu Guthrie are a deeply soulful duo that we're excited are coming to Quadra Island to perform in

Brodie Dawson's voice is rich and pure; she won Vocalist of the Year at the 2014 Vancouver Island Music Awards. She's also been nominated twice for Best Live Act at the VIMA's and nominated for 'Best Live Act' at two VIMA's. Brodie Dawson definitely delivers! She has shared the stage with many other amazing musicians such as WiL, Tracy Riley, Rick Fines, The Sojourners, George Canyon, Jake Owen, and Serena Ryder!

Guthrie's music is a clever and potent fusion of folk, funk, dark country and rock n roll. It is representative of a lifetime of thoughtful listening and his uncanny ability to select elements from each genre then combine them to create a refreshingly innovative, yet timeless style that engages the sensitivity and sentiment of a broad range of listeners.

Show and two-course dinner \$39; show-only seats \$15. Call the Inn 250.285.3322 to reserve seats. Take yourself and a friend out for this amazing musical and delicious cuisine event.

Trauma & Abuse Counselling Centre

Professional individual counselling by appointment.

COMMUNITY NEWS & EVENTS

Chamber Music Festival

The Quadra Island Chamber Music Society is pleased to announce the 8th Annual Festival will be held from July 17 to 21. Philip Hansen, our Artistic Director, has been very busy creating an eclectic and exciting programme. He has also managed to line up more world class musicians who are enthusiastic about coming to Quadra. For more information please check out our new website www.quadrafestival.ca.

On March 1, non-refundable Early Bird packages can be reserved by emailing michaellynch@shaw.com. For \$100, you are assured of attending the four evening performances. Non-refundable single event tickets will be on sale as of May 15th.

We are a small, non-profit organization. If you wish to join our group, volunteer for events or help sponsor the festival, we would appreciate your involvement. For more information please email michaellynch@shaw.com . Also we are #305 on the Tru-Value Spirit Board.

Buddhist Meditation

Come join us for a 45 minute silent meditation every Sunday at 10 a.m. at Spirit Books upstairs in Q. Cove. Every one is welcome to experience the beauty of this simple practice. Free or by donation. Call Steve or Danielle at 285-3323 for more info.

Free Money

Free Money continues on Wednesdays, just before Community Lunch, from 11:30am to noon in the small seminar room downstairs at the Quadra Community Centre. Single individuals receive \$10 and families receive \$20 inside a book of their choice. The program is available on the first Wednesday of each month from November to April. This 10-year-old program could not exist without the generous support of Quadra Islanders. We need over \$3000 to carry out our program. Please donate to the Free Money account at our local Quadra Credit Union. Every cent goes to those in need. For more info call Steve Moore at

Thank-You!

Yoga with Trinity Winter/Spring 2018

On going Yoga Classes for 2018 will begin February 13th, 14th and 15th at Quadra Community Centre upstairs in room 3.

*Tuesday and Thursday evening classes will be a Hatha Fusion Style, exploring traditional yoga poses, some flowing sequences, occasional Chi Gong, meditation, chanting with the harmonium and deep relaxation. These classes are open to most levels. Class time is 5-6:30 pm.

*Wednesday morning class is a Gentle Style that is slow moving and done with a very mindful approach. This class is geared with seniors in mind or those with various injuries or health conditions but it is open to anybody that thinks they could benefit from this gentle approach. We will explore some traditional yoga poses often done modified with props including a chair. Chi Gong is often mixed into a class as well as meditation, the soothing sounds of the harmonium and deep relaxation. Class time is 10-11:30 am just before Community Lunch. Please feel free to call Trinity with any questions at 285-3455.

Experience the House of Music

Quadra Legion proudly hosts Michael Fraser & Mr Nick Lawrence

Saturday February 24th \$10 at the door

At a Michael Fraser show, you'll be ushered from room to room through the house of music that Michael himself helped build. From the first note played on his violin to the last pulse from his sound system, Michael Fraser takes his crowd's collective soul on a fantastic voyage. Weaving in and out of spaces filled with the sounds of original creations and thoughtful curations, he knows just the right time to leave one and slide into another. Michael will take you on a journey with a tantalizing beginning, an entrancing middle and a happy ending that's sure to satisfy.

Talented local DJ, Mr Nick Lawrence rounds out the evening with his signature heavy bass rhythms that are sure to make you get up and dance!

Michael's gypsy violin DJ set at Shambhala's Amphitheater Stage, had the crowd going wild. His fiddle riffs and jump kicks set the stage for the circus of Electro-Swing performers that followed.

Byron Whitlaw Artistic Director

Michael Fraser fuses live violin against a backdrop of global fusion to create a tapestry that evokes the midnight air of an Eastern European gypsy carnival.

REGIONAL DIRECTOR'S REPORT • News from Area C by Jim Abram

hope you have all enjoyed the four beautiful sunny days that we have just experienced. ▲ Often typical for February and I love it. Also Happy Valentine's Day to all!

I have a few items that I wanted to get out earlier but was in meetings in Vancouver at the last deadline, so I will try and bring you up to date in this report.

Ferry petition

As many of you know, a petition has been circulating on Change.Org to ask the Premier to bring the Ferry system back into the Ministry of Transportation as part of our marine highway and provincial transportation infrastructure. To date, we have gathered 15,500 signatures and still climbing. If you have not signed, please feel free to go to the link and do so. It will be presented in the Legislature in the very near future. People are also being encouraged to email and call their MLA's to ask them to lend support to the request in the petition. Hopefully you will add your name to the list!

Connect to Innovate (Check this out!)

As I have mentioned in previous reports this is the program where we received approximately \$46 million from the Federal and Provincial governments to connect 154 communities on the coast with high speed fibre optic internet

via undersea "back bone" cable. This will run from Prince Rupert all the way to Vancouver, down both sides of Vancouver Island and along the Sunshine Coast. "Landings" will happen at specified sites where distribution will then take

Addressing the need for reliable and affordable cellular and broadband service in communities across the Regional District is a strategic priority of the Board and significant efforts have been made over several years to address this

On January 17, 2018 it was announced that the Connected Coast project would receive combined funding of \$45.4M from the federal and provincial government. The Connected Coast project was developed by the Strathcona Regional District and Citywest (the Prince Rupert connection) and submitted under the federal government's \$500M Connect to Innovate program.

Now that the funding is confirmed, preliminary project planning is underway. This will include developing appropriate governance structures, detailed project plans, communications and engagement tools, and resourcing requirements. The backbone network is anticipated to be delivered in a phased approach over the next three years commencing with more detailed surveying, network design and approvals. The Board will be receiving regular briefings on this project

so that key decisions related to governance and financial interests can be addressed. I will update you as reports come in at the Board.

I am now going to list the landings below and I think that Area C will be very well served. Far too many years of lobbying have gone into this and now it is a reality that I am very pleased to announce to you. I have listed the Area C landings in the order that they appear from north to south and then back up the west side of Quadra. The others are from the Cortes area and other areas of the Regional District. Note that I am only listing the ones in our Regional District.

AREA C: (OK, you can now get excited!).. Here is the news you have been waiting for! Port Neville, Blind Channel, Surge Narrows, Bold Point, Heriot Bay, Read Island, Refuge Cove, Yaculta (Cape Mudge), Quathiaski Cove, Granite Bay OTHER SRD SITES: Bloedel, Campbell River (FN+City), Rock Bay Ceepeecee, Ehattesaht, Elk Bay, Esperanza, Tahsis, Gold River Landing, Kyuquot (Ka:'yu:'k't'h'/ Che:k:tles7et'h'), Mowachaht/ Muchalaht, Nuchatlaht, Yuquot, Klahoose First Nation, Mansons Landing, Whaletown, Sayward, Seaford

So you will see from this list that we are going to be well served from all points and distribution will go on from each landing. I am very excited that we are getting the sites that we need and there could be more if we are lucky! That is still to come.

Fire Smart grant

It was announced at the Board that our application for a \$10,000 grant to be used in Area C has been awarded. We were given a list of projects that would be eligible for use of the funding and I have consulted with our Emergency Program volunteers and with our Emergency Services staff person at the SRD. Due to all of the interest in getting more fire services to the north island and the difficulties we are having doing that, I felt that the money would best be spent with a priority given to those areas and that is what will be done. The south island will also be looked after and tourists will be targeted informing them of the extreme likelihood of fires during dry periods and what precautions they need to take.

REGIONAL DIRECTOR'S REPORT • News from Area C by Jim Abram

Planning Grant

I cannot give you the details of this funding at this time since the Province has asked that we not announce the amount until after March 9th. What I can tell you is that we are going to receive much needed funding to carry out long overdue planning work in Area C, including the outer islands. More in a future report.

Stuart Island school property divestiture We have finally completed the entire package that needed to be forwarded to the three

Ministries responsible for the divestiture of this property to the SRD. I have had discussion with the School Board Chair, met with all three of the Ministers involved, received SRD Board approval and met with the Stuart Island Community Association last Friday. The application is comprehensive and the community looks forward to having this property finally in the hands of the SRD so it can legally be used for community purposes that have been taking place there for many

Quadra Island pre-school property

The application for this property in Heriot Bay has also been submitted and I have met with the three ministers involved in this and had discussions with our School Board Trustee (Chair of SD Board). Both of these applications will now go through the Provincial process and then return to the School District and SRD for final approval. This has been a long and tedious process and it is not over yet!

Coming Events...

March 2 from the 60s to now

March 9 beach blanket time machine

HBI Pub at 9pm no cover

Surge Narrows water lease and land negotiations

We are still in discussion with the ministry of Forests and Lands (FLNRORD!) over the water lease that is adjacent to our SRD Surge Narrows Wharf. We are also in negotiations for the upland property. I cannot discuss those details since it is a land transaction. Should we be successful in both efforts we will have an incredible addition to the Surge Narrows community: more possibilities for moorage and the ability to restore the upland historic Surge Narrows Store. This will enlarge what is now the "village site" of Surge Narrows and allow for many other opportunities for the community.

Other activities on your behalf

I won't bore you with the day to day activities which never seem to end but I will mention three important groups that I represent the SRD Board on.

The Oceans Protection Plan has held two meetings so far and they concerned the \$1.5 billion dollars that the Feds put into protecting our coast. We have discussed issues such as derelict vessels, pollution response, search and rescue, fisheries issues, first nations and local govt. involvement, environmental issues of all types and many other issues.

The Marine Protected Area Federal initiative is focusing on a proposed massive protected area off of the west cost of the island. I am there to represent local govt issues (as part of a four RD group) and how this might impact the economics of our area regarding fishing

opportunities for both the recreational and commercial users.

The Regional District Ferry Chairs Group is still alive and active. I have made two trips to Victoria to discuss ferry issues and putting the ferries back into the Ministry along with local issues like restoring our original schedule to our ferry and the possibility of a two-vessel system (like we had in the mid-eighties). We would be looking at two 47 car ferries sailing every half hour from BOTH sides simultaneously, or a schedule to be determined. We could even be looking at more sailings earlier and later in the day with this system. I cannot tell you how pleased I am with this solution, since a 100 car ferry absolutely will not work on this route for a variety of reasons. More to come on this topic.

I am going to leave it at that for now. Feel free to contact me between the hours of 8:30 am and 5:00 pm, Monday through Friday (please, not on weekends or holidays, folks!) at 285-3355, or you can fax me at 285-3533 or you can email me anytime at jimabram@xplornet.ca or by mail at Box 278 in the Cove, V0P 1N0... or on Facebook at https://www.facebook.com/ JimAbram.... If it is important, my cell is 250-830-8005... Lots of choices.

Please do not use my residential phone number for SRD calls. All business calls should be on 285-3355. Many thanks!

Respectfully submitted,

Iim Abram

COMMUNITY NEWS & EVENTS

Tamar Ilana and Trans-Mediterranean Ensemble Ventanas

Quadra Cultural Events is very pleased to present Tamar Ilana & Ventanas on Friday, February 23 at 7:30 at the QCC.

Tamar Ilana, the stunning vocalist and dancer and sought-after Canadian world music favourite, embarks on her first tour of British Columbia in four years with stellar trans-Mediterranean ensemble Ventanas.

Tamar and Ventanas return to British Columbia to present songs from their latest album, Arrelumbre. Her voice reaches new heights on the album, as fierce and powerful as it is delicate and ornamental. Tamar and the band skip from heart- wrenching flamenco arrangements in Spanish to mournful Sephardic love songs to playful Balkan party tunes – it's no surprise the group has been nominated for four Canadian Folk Music Awards. For their B.C. tour, the ensemble will also perform new, never-before-heard material which will be recorded after the tour.

Tamar Ilana has a history as dynamic and international as the musical tapestry she weaves. Her sonic versatility is matched by a diverse and talented team of virtuoso musicians playing violin, flamenco guitar, double bass, derbukka, cajon, and hand percussion. It's a stunning assembly that is passionately accented by Tamar's flamenco dancing and staccato footwork.

"I was raised to believe that we needed to preserve folk songs that might otherwise be lost," says Tamar. "Ventanas preserves these traditions, while at the same time present them in an exciting way, both sonically and visually. We infuse them with new energy, dance and diverse instrumentation to keep things moving forward."

This constant motion comes naturally to Tamar, who has lived and breathed the world's music from girlhood, traveling with her mother, who is an ethnomusicologist and singer. Tamar and her mother performed as they roamed through Spain, Portugal, Morocco and Turkey, and sometimes she found herself wishing she could be like other

Yet as she gradually came into her own as an artist, singing and dancing on stage went from being a childhood chore to a profound joy. Tamar heads to B.C. fresh from a whirlwind period of creative explorations. She recently co-starred in Yaël Farber's prize-winning "Salomé" at the Shakespeare Theatre

Company in Washington, D.C. Tamar is also an original cast member of the Lemon Bucket Orkestra's "Counting Sheep Revolution" a musical theatre production that has electrified audiences from Edinburgh Fringe to New York's 3LD Theatre.

In Ventanas, Tamar has found the music to match her voice. Together, Tamar and Ventanas have performed at numerous packed events including the Aga Khan Museum, Toronto; DROM, Golden Festival, La MaMa Theatre and APAP in New York City; Robson Valley Festival, Vancouver Folk Music Festival and Artswells, BC; Mundial Montreal; Sunfest, Summerfolk, and more.

Advance tickets are available for \$17.00 at Inspirations in Quathiaski Cove, Works of H'Art in Heriot Bay, The Music Plant in Campbell River and online at Tidemark Theatre. Tickets will be available at the door for \$20.00. Please come out and support live entertainment on Quadra Island.

Quadra Island Seniors-B.C.O.A.P.O - Branch 91

This is the time for love and to be loved for Valentines Day. Buy your sweetheart a meal or roses when I was in the drugstore the other day they had chocolate roses for sale. I sent my grandchildren boxes of valentines so they can write one to their schoolmates.

We are getting prepared for the O.A.P. Convention in June 11th to 14th in Nanaimo All branches send in resolutions that must be voted on by all the delegates and then sent to the Prov. and Fed. Govts.

We will have speakers, we enjoy listening Isobel Mackenzie who is the advocate for seniors in the Province of B.C. One issue that comes to mind is the ferries being available during the night when an emergency comes from Quadra, Cortes or other ferry dependent communities. Another issue is when a senior turns eighty years of age and ICBC sends you a form for your doctor to fill out to also check a senior to see if they a capable of driving. The problem with this is some doctors charge \$50.00 to fill out your form and others charge \$225.00, \$100.00, \$99.00 or what ever they wish which is highway robbery. Many seniors are very good drivers and should be congratulated on their driving not harassed. We as a group which has been in existence since 1928 and our main issue is to care for seniors.

To become a member of our branch call Marcy @3849 for transportation call Ruth @ 3801 oc cell ph. 250-895-9188.

Quadra Circle News

150 Quadra Seniors 'Up Their Game'

Quadra Circle's active-aging program for seniors at the School on Mondays and Wednesdays is a roaring success one year after its start-up. Over 150 people have attended some activity, with about 60 regular weekly attendees. There's something for everyone: ping pong, Qi Gong, Chair voga, Chair aerobics, Energy Walk in the school gym, somatics muscle re-education, art & music class, bridge lessons, drop-in bridge, musical instrument-making workshop, mosaic art, plus social time over lunches and snacks.

"The variety of exercises and activities that I can do at no cost is wonderful on a low income. Life is more enjoyable because I'm doing fun things with other people." Many participants echo that sentiment and appreciate the diverse range of activities, the opportunity to connect with and meet new people through the program, learn a new skill, and feel rejuvenated. Although most participants (83%) historically have been female, male participation increased by 26% from March 2017. In recent surveys, participants report a high level of satisfaction with the variety and quality of age-friendly activities and think that participation has had a positive impact on their well-being and inspired them to pursue new interests.

Quadra Circle's funding for the Stepping Up, **Stepping Out** project comes primarily from a Community Action Initiative grant to promote seniors and caregivers mental health and wellness. This includes delivering arts, crafts and exercise classes, and providing a Caregiver support group and wellness education to reduce the stigma around mental health and aging in our community. As well as Talks on dementia, anxiety and depression, a weekly SMART Recovery support group for dealing with

problem thoughts and behaviour patterns offers new self-help resources. Many activity leaders are retired seniors wanting to share their skills. Funding enables us to hire younger facilitators who adapt their classes to seniors mobility

Participating in the program informs people about helpful community services and health resources. A significant health risk of being a caregiver is the potential for physical/mental fatigue resulting from caregiving duties. Many of the caregivers associated with Quadra Circle report they are coping fairly well with their caregiving responsibilities. However, they'd like support with household tasks, such as yard work and housekeeping, and more respite activities for seniors so that caregivers may use that time for themselves.

Volunteers are key to the success of the Stepping Up, Stepping Out project and have benefited from their participation. In the words of one of our facilitators "Volunteering] has added purpose to my life, expanded my knowledge of caregiving and given me an opportunity to use my skills."

Stepping Up, Stepping Out is currently funded by the Community Action Initiative, United Way of Lower Mainland's Active Aging Program and donations from Quadra community members. The seniors really want the program to continue so Quadra Circle's dedicated team is now sourcing funds to maintain it.

Want to get involved in offering a class, volunteering, or attending an activity at the Centre? Contact Maureen McDowell (250) 285-2221 or Helen Lee (250) 285-2788.

COMMUNITY NEWS & EVENTS

Learn How to Do Winter Pruning! work for a year. He's still here.

On February 24 the Quadra Island Garden Club presents a handson, intensive winter pruning workshop with expert pruner and teacher Gordon MacKay. Gordon aka "The Pruning Guy"

is well known and appreciated for his ability to teach people the core principles of pruning.

Focus on Apples & Pears

The focus of Gordon's upcoming workshop will be on apples and pears since winter pruning is most beneficial for them. Gordon plans to discuss the special needs of young trees, (including their training), as well as the needs of mature trees.

"'Spur prune', 'heading back', 'espalier' 'Belgian fence'... these are pruning terms everyone has heard of but what the heck does it all mean?" Gordon jokingly says. "I will answer your pruning questions and more."

Gordon will also touch upon the topic of common fruit tree pests and diseases. He'll even be giving a mini tutorial on tool-sharpening so bring your pruners. This workshop is being held outside in an orchard; be sure to wear suitable footwear and bring warm clothing.

The workshop cost is \$15 for garden club members and \$25 for non-members. (It pays to be a member since you will save the cost of your annual membership fee simply by joining.) The cost of

membership is \$10 for singles and \$15 for couples/families. More About Gordon MacKay Since his early days as a student of horticulture, Gordon has been curious and fascinated by pruning. After much convincing, his father finally gave him his first set of secateurs (no, they weren't Felcos). This was the start of a lifelong obsession. As Gordon discovered, the learning process never ends when it comes to pruning trees and shrubs. Gordon followed in his father's footsteps and was the first secondgeneration student gardener to attend Threave School of Gardening in southwest Scotland. After completing this two-year course, he decided to hop the border and took the three-vear program at Pershore College of Horticulture in England.

Gordon came to Vancouver Island in the mid 1990's, planning to

School as Community Partner

Quadra Elementary seeks partnerships with community stewardship organizations to enhance student learning.

magine students from Quadra Elementary out in the community, applying and acquiring skills and knowledge all the while contributing to local stewardship projects on Quadra Island.

This spring, Quadra Islanders will see elementary students out in the field collecting scientific data, making observations, writing poetry and prose, creating art or participating in a math lesson in our local neighborhoods, forests, farms and watersheds. They could be researching the history of Quathiaski Cove, restoring indigenous vegetation and habitat or learning about ecosystem-based management. They could be creating material for interpretive signs and gaining an understanding of the First Nations connection to place including learning the kwak'wala or Liq'wala plant and place names. In short, they will be actively learning with their heart, mind, spirit and body how to be stewards of this remarkable and unique island we call home. This type of learning can

Castle Computing

be defined as 'place-based.' This is how place is defined in the BC Science 4 curriculum. "Place is any environment, locality, or context with which people interact to learn, create memory, reflect on history, connect with culture, and establish identity. The connection between people and place is foundational to First Peoples perspectives of the world."

These key questions will help guide possible collaboration between the school and community organizations.

How does what you know about place affect your observations, questions, and predictions? How does understanding place help you

analyze information and recognize connections and relationships in your local environment? How does place connect with stewardship?

How can you be a steward in your local

(https://curriculum.gov.bc.ca/curriculum/ science/4)

As both a teacher at the elementary and a resident of Quadra Island, I believe that there needs to be a strong connection between our stewardship organizations and the education system. The benefits are considerable, most importantly it allows our community to play a role in mentoring a new generation of local

If your organization would like to collaborate with Quadra Elementary, please contact Sheldon Etheridge. 250-285-3385 or Sheldon. etheridge@sd72.bc.ca

Bitumen Stew

B.C. and Alberta, old friends and good neighbours, Their leaders are clashing and rattling their sabres. It's not about oil, or wine, or craft beers Its all about saving political careers. Now Justin the just says he wont intervene, He is backing big oil while pretending he's green. Who's jurisdiction, is the health of the sea? And who should decide what is right for B.C.? When the fish are extinct and the oil is all gone, What kind of future will this foolish spat spawn. Is a barrel of bitumen worth an ocean full of fish? For which rich resource would a starving world wish. Let B.C. decide on it's own future path. Ms. Notley can nurse her trumped up wrath. Let's all drink some wine and soothe our hot ire While Justin resolves how to put out this fire. He pitched his green platform on global warming. And he was the first one to ignore his own warning. In the heat of this battle some ego's will roast And Justin and Rachel are looking like toast. it's a bitter brew, this bitumen stew The voice of so many drowned out by so few. If it's a sovereign question, let the whole nation

The planet's protection is what we all seek.

Learn more about the Energy Step Code Feb. 21 from 7 to 10:30 a.m. at the Coast Discovery Inn (975 Shoppers Row). Breakfast, refreshments, and parking will be provided

ISSUE 672 • FEBRUARY 16, 2018

Free Energy Step **Code Workshop and Consultation for Builders**

Builders will have the opportunity to learn about the BC Energy Step Code and local financial incentives for new energy efficient construction at a Builder and Developer's Forum Feb. 21 at the Coast Discovery Inn.

The City of Campbell River, in partnership with the Comox Valley Regional District, the Community Energy Association, and BC Hydro is hosting a free-of-charge regional workshop and consultation for builders.

Building industry professionals will learn about the BC Energy Step Code, costs involved and financial incentives for residential building construction. Builders will also be able to make suggestions for future training opportunities and potential future construction requirements in Campbell River. Attendees will earn three Continuing Professional Development credits.

"Our aim is to provide builders with up-to-date information on the Province's Energy Step Code that has recently been incorporated into the BC Building Code," says Amber Zirnhelt, long range planning and sustainability manager. "The City will also announce a new incentive program for energy efficient construction that is funded through our Carbon Neutral Reserve Fund."

Both the City of Campbell River and the Comox Valley Regional District will provide an overview of incentives programs for energy efficient construction that align with the Energy Step Code.

The workshop will feature Energy Step Code expert Remi Charron. Charron worked on the 2017 BC Energy Step Code Metrics Report, which considered costs and construction techniques required to meet the Energy Step Code. Charron has a PH.D. in Building Engineering, with a focus on net-zero homes

free-of-charge during the workshop.

To reserve your seat, contact Ruth Laviolette -Development Services, City of Campbell River 250-286-5757 or by email to Ruth.Laviolette@ campbellriver.ca

South Quadra Fire Dept. 2017 Statistics

The good news is it wasn't a record year. In total, we responded to 167 calls. Of the 167 calls, there were:

- 98 First Responder calls
- 30 Duty Officer Investigations more than last year
- 13 Alarm Activations
- 5 Motor Vehicle Incidents
- 2 Vehicle Fires-02
- 9 Chimney Fires more than last year (please clean and inspect your chimneys)
- 1 Wild land, outside burning, beach fires
- 8 Hydro Problems more than last year
- 1 Public Service Call

Additional highlights include.

- Based on letters of support from the public (all positive), the QIFD temporary repeater location was granted permanent status by the Provincial Government with no additional consultation required. Thank you to all those whose support of the project made this possible. This site will include radio communications for Ambulance and RCMP as well and enhances QIFD tactical radio communications enormously.
- We had a very successful Movember campaign raising \$1121 to fight mens cancer and support mental health awareness programs.
- The fire danger status sign in the cove was removed so QIFD stepped up. A new sign was built and installed for all to see.
- Our training center was significantly renovated with modifications including interior stairs providing access to all three floors, safety railings, a live fire burn compartment and a vastly enlarged auto extrication training area.

We added a third AED to our first responder inventory, critically important in these days of fentanyl

- We also added 8 new recruits to the roster, a very successful recruitment drive response. In addition, we beefed up the water supply team with 3 new members.
- QIFD conducted a U of Q seminar demonstrating CPR along with a fentanyl information session.
- One thing I would like to mention is the challenge we face every time we are dispatched to a location lacking proper street side address identification. This is a real problem here on the island especially if you have more than one residence off the same driveway. Please mark your location properly. Seconds count and an unmarked driveway or driveway with the wrong address will cost minutes. It's a simple request and not expensive.

All in all, it was a great year. I speak for all members of QIFD when I say it's a privilege to serve the needs of this island. Many Thanks.

Mike Gall - QIFD

Wanted

SEEKING HOME

Hello! My name is Dr Sameen Ahmed. I have had the pleasure of meeting many of you and getting to know the Quadra Island community while filling in for Dr Boegel, Dr Kellerhals, and Dr Graham over the last 8 years. I would love to live on Quadra and help the clinic stay open.

However, I need to find a home here to purchase and I don't have \$1M! Please contact me if you have a home to sell that would be available within the next 6 months or so.

Email: sameenie@gmail.com

Phone: 250-203-0539

Why catch a ferry?
Local printing done
right here on Quadra.
Photos too!

Home & Garden

WINTER PRUNING

Skilled gardener Ryan Nassichuk is now taking bookings for the 2018 winter pruning season. Many types of trees, shrubs, and vines appreciate winter pruning. Ryan works with both fruiting and ornamental plants, and also offers a variety of additional horticultural services to help your garden and orchard thrive. Call 250 202 2326 or email nassichuk@gmail.com for more information.
